

High Intermediate

A 15cm (6 inch) square makes a 9cm (3.5 inch) tall model.

1. Start with a square, white side up. Fold a preliminary base.

2. Fold top flaps to the center-line.

3. Open-sink top third.

4. Squash-fold both flaps.

5. Note the angle in center is 90 degrees. Reverse-fold side flaps directly under top flap.

6. Valley-fold flap up, matching corners with edges.

7. Only mark the center of one flap.

8. Valley-fold flap to mark.

Bucks Money (Page 2)

9. Valley-fold flap up.

10. Squash-folds.

11. Valley-fold.
