

Ketchup Bottle

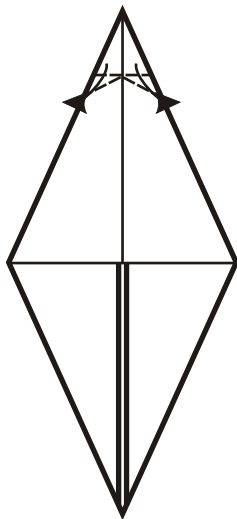

by Lar deSouza (fresco@sentex.net) © September 2001
Designed for Dorothy Englemen, the Origami Swami picnic party

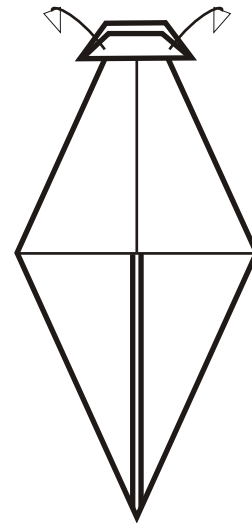

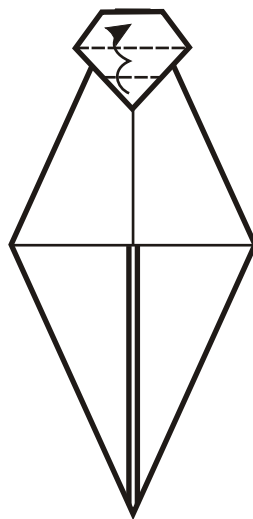

Begin with a Preliminary Base,
coloured side out.

Petal fold one side.

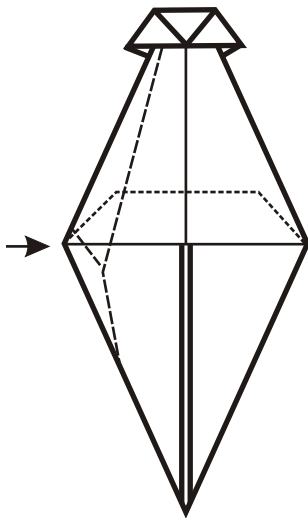

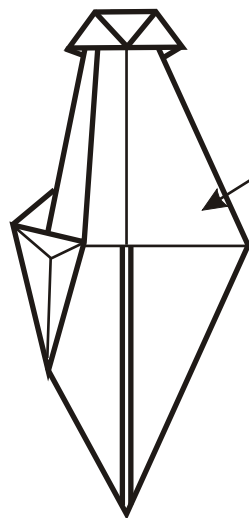

Open up tip.

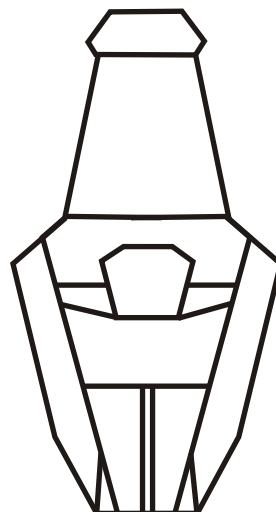

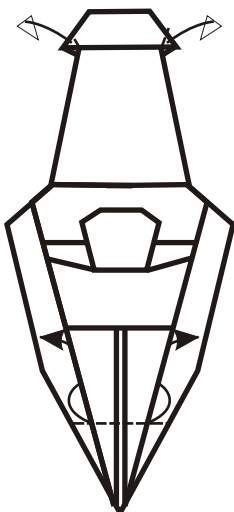

Open up point and wrap around to effect a colour change on the other side.

Allow side point to squash asymmetrically.

Repeat step 15 on other side.

You want some fries with that?
