Low intermediate

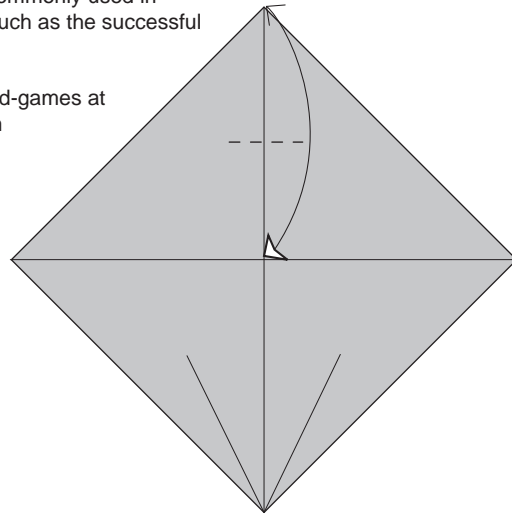

A 15cm (6 inch) square makes a 6.5cm (2.5 inch) tall model.

A meeple is game-piece commonly used in European board-games, such as the successful "Carcassonne" series.

1. Start with a square, color side up. Fold and unfold edges to the center, creasing only about half-way.

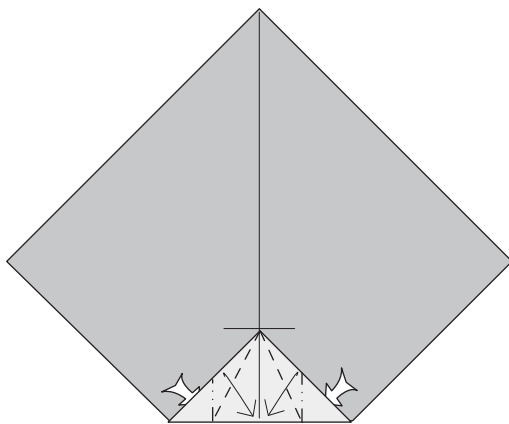

2. Fold corner to center and unfold, only pinching a mark.

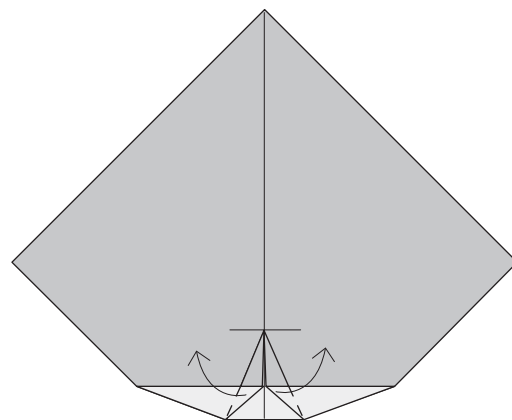

3. Fold and unfold bottom corner to the pinch just made, creating just a pinch again.

4. Fold bottom corner to the last pinch.

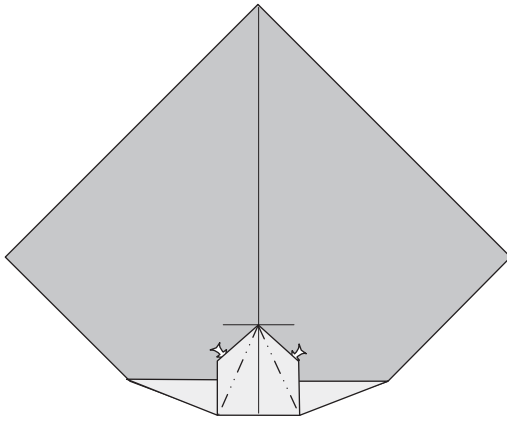

5. Squash-fold edges to the center.

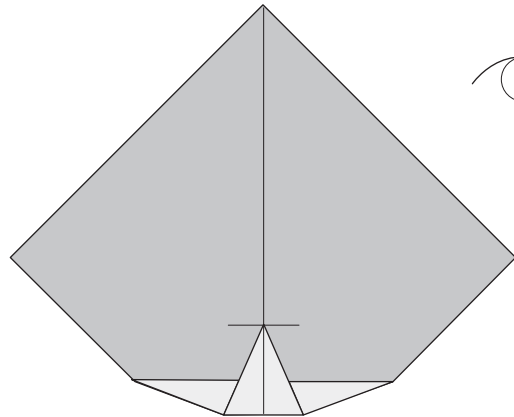

6. Fold flaps out.
